STUDYING AT TBS

WHERE INSPIRATION IS KEY

Here at TBS, we believe each and everyone of us has the power to push society and our careers forward. It will take cutting-edge knowledge, the best tools, top-class advice and a fair share of resilience. To help you on track, all TBS programs are designed to stimulate know-how, inspiration and confidence in yourself and in the future.

TBS, a highly committed business school

A committed hot spot for business knowledge, TBS has been actively engaged in sustainable development and corporate social responsibility for over 10 years. Our managers, professors, researchers and students all contribute to our goal of achieving the 17 sustainability goals of the United Nations.

3 International Accreditations

TBS is the 3rd French business school to have been awarded the triple crown of international accreditations, a privilege bestowed upon less than 2% of business schools in the world.

European Accreditation
since 2001

International Accreditation of MBA
programs since 2002

International Accreditation
since 2003

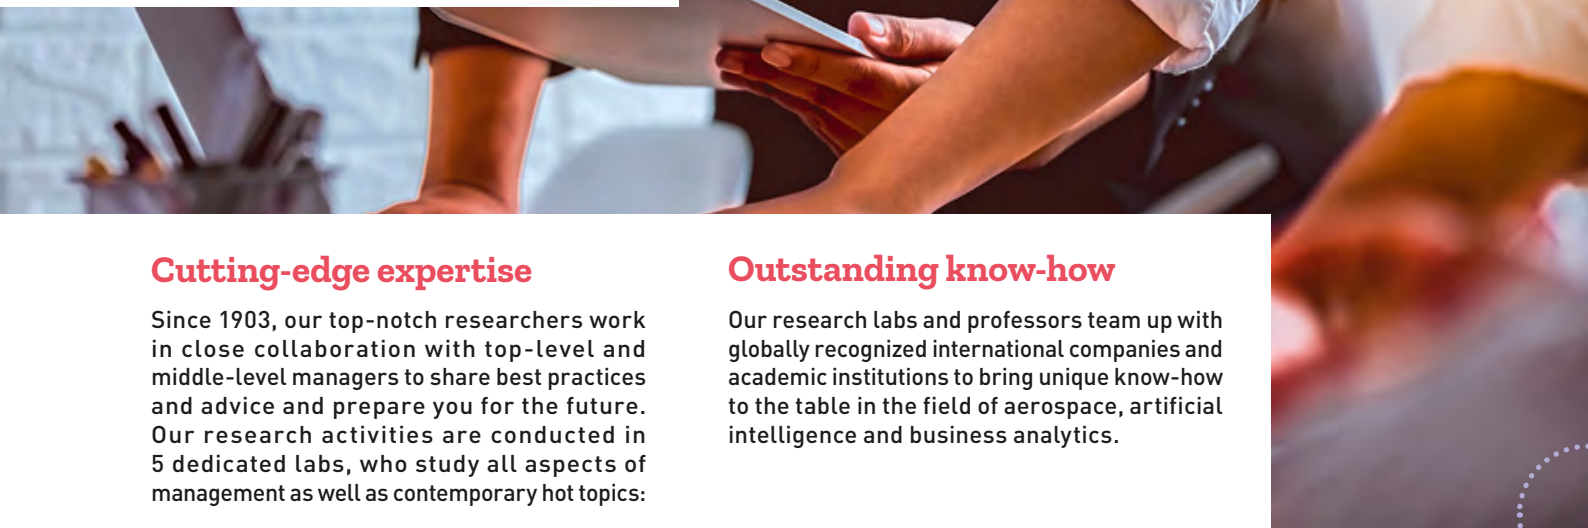

Cutting-edge expertise

Since 1903, our top-notch researchers work in close collaboration with top-level and middle-level managers to share best practices and advice and prepare you for the future. Our research activities are conducted in 5 dedicated labs, who study all aspects of management as well as contemporary hot topics:

- Entrepreneurship & Strategy
- Accounting, Control & Performance Management
- Finance, Economics & Econometrics
- Social & Innovation Marketing
- Work, Employment & Health

GLOBAL EXECUTIVE MBA

THE BEST OF BOTH WORLDS

COMBINE OVERALL VISION WITH CUTTING-EDGE SPECIALIZATION

The TBS Global Executive MBA offers both a 360° vision and cutting-edge specialization to ensure your employability and career progress. Be inspired by a truly executive business school and propel your teams and career to the next level!

MIX ONLINE AND ON-CAMPUS TRAINING

In order to quickly bring you to the next stage in your career and help you sharpen your international skills, the Global Executive MBA alternates between online and on-campus classes. Depending on your track, we also include visits to international partner companies to create a truly immersive experience.

- 12 months of in-depth training
- Part-Time
- Online and on-campus in France and/or abroad
- English or French

“*There’s no doubt about the improvement in life quality after the Global Executive MBA, the beautiful people you will meet and the transformation you’ll undergo.*”

Farzaneh MOHAJER

*Marketing & Communications Manager
ECA Group*

TBS is the 1st French Business School to receive the 4-Digital label from the French Conférence des Grandes Ecoles, the leading institution for Master-degree business schools in France. This label rewards the high quality of digital courses in higher and executive education programs.

EXPLOIT YOUR FULL POTENTIAL

SECURE YOUR PROFESSIONAL EVOLUTION

1 • Acquire an overall vision

Designed to raise managers to their full potential, the Global Executive starts with crucial management knowledge, taught by high-profile experts from across the globe. You will acquire both solid know-how and acute insights in the latest management techniques, and cover today's hot topics during highly interactive courses.

8 CORE MODULES

240 hours |   

2 • Add a cutting-edge specialization

Select a cutting-edge specialization and obtain a Strategic Management MBA or Aerospace MBA degree, while sharpening your expertise in pioneering skills that solidly prepare you to tackle tomorrow's challenges.

SPECIALIZATIONS 120 hours |     

STRATEGIC MANAGEMENT MBA

- Digital Transformation
- Artificial Intelligence & Data Analytics
- Innovation Management
- Business Intelligence
- Company Creation & Take-over
- Consulting Management

AEROSPACE MBA

- Space Business (60 hours)
- Aerospace Value Chain (60 hours)
- Aviation Management (60 hours)
- Digital Transformation
- AI & Data Analytics

3 • Practice on an international scale

Your specialization includes professional experience on an international level and real-life case studies for renowned companies. You will work on highly specific topics with fellow participants from across the globe.

PROCESS WORKSHOPS

90 hours |     

2 REAL-LIFE WORKSHOPS

Practical workshops, conferences and/or company visits in locations of your choice: Toulouse, Paris, Montréal, Barcelona, Casablanca, Shanghai, Bangalore...

4 • Develop your leadership

All TBS programs are designed to help you grow both on a personal and professional level. In order to help you assert your leadership, you will be fully trained in Executive Soft Skills and benefit from individual coaching sessions via our Career Booster service.

CAREER BOOSTER

60 hours |  

In order to maximize the benefit of your MBA experience, our CAREER BOOSTER team individually guides participants to help them find the answer to 3 questions that are crucial to professional evolution. We combine managerial tests, dedicated coaches and tailored workshops to help you define what you would like to do, what you were born to do and what the working world expects of you, both inside and outside of your company, to help you reach your full leadership potential.
